

## *Neehi™ Collection*

Green Design Furniture proudly introduces the Neehi™ Series, created for owners of thin-profile televisions in search of a beautiful and efficient all-in-one package to display their new TVs. Neehi™ consoles place the monitor at the ideal viewing height, efficiently house accompanying components and provide intelligent wire management and access. Handcrafted in beautiful sustainably harvested American cherry wood, and designed and built to last. Available in three sizes, with a variety of appearance and function options. Neehi™ consoles are also perfectly suitable for applications that we have not yet imagined.

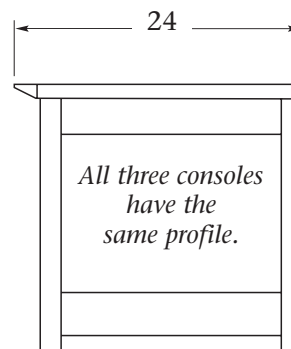

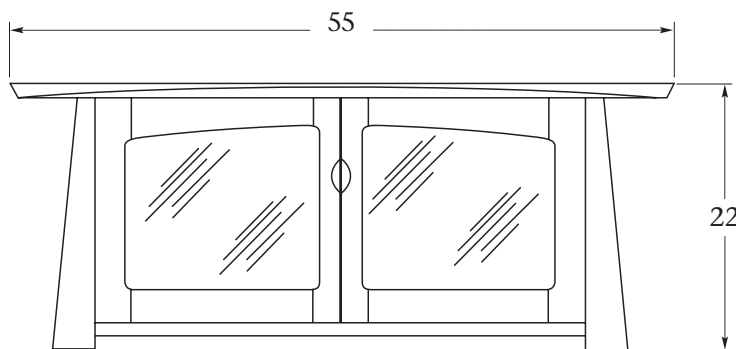

**FEATURES:**

- ♦ Sturdy solid cherry platform provides ideal viewing height
- ♦ Three lengths (55",72",84") to accommodate entire range of Plasma, LCD and thin-profile rear-projection screen sizes
- ♦ Ample room for a wide variety of electronic components
- ♦ Intelligent wire management eliminates the tangle of electrical cords
- ♦ Flexibility for upgrading or changing needs
- ♦ Optional configurations for open or closed component display
- ♦ Pop-out back panels allow for wiring components in place

**OPTIONS:**

- ♦ Open shelving or doors with wood or textured water-glass panels
- ♦ Vented or solid cherry adjustable shelves
- ♦ Center channel speaker shelf and/or drawers (72" & 84" Neehi only)

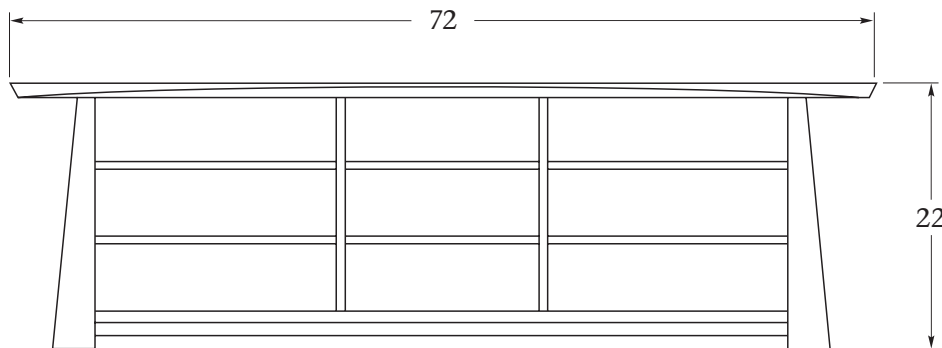

*All three consoles have the same profile.*
